

SOTC Presents...
“Fabulous Fridays with Tracy Sklenar”
Jan. 29, Feb. 5, Mar 5, Mar 12, 2010

A six-hour workshop, 1½ hours per session:

Timing your crosses- for YOUR dog! Every dog is different in how he commits to a jump. In this workshop, we will work on getting to the right positions and using the proper timing of deceleration and arm changes for your dog. We will also work on how to know which handling option to choose based on the sequences. Dogs in this class should be competing in agility, focused on their handler and able to execute contacts, weaves, tunnels and jumps in sequence that vary in length from 4 to 24 obstacles.

Foundations: Got a young dog that you want to start? Does your current competition dog have some holes in her foundation? This class will be filled with fun games to give you and your dog the solid foundation needed for a brilliant career in the ring! We will focus on training control behaviors (such as rock solid stays and amazing contacts & tables), impulse control, proofing distractions, shaping body awareness & jumping skills, shaping obstacle independence and more!

Fee: SOTC Members: \$80, Non-members: \$100

Audit: SOTC Members \$40, Non-members: \$50

Two times have been scheduled for each workshop:
