

Tracy Sklenar Feb 10-12, 2012

Location: SOTC Training Facility 6392 Deere Rd, Syracuse, NY

Learn Your Dog Fri Feb 10, 8:30 - 5:00

Find the exact timing your dog needs in order to drive through challenges on course.

This session is for dogs competing at the Excellent/Masters level and those without focus issues.

Under Pressure - The Worried dog Sat Feb 11, 8:30 - 12:15

Does your dog worry a lot? Are they scared of people/dogs/environment?

This session will be more about focusing under pressure than handling.

This session is open to dogs competing at any level, no aggressive dogs allowed.

Handling Foundation Skills - The next level Sat Feb 11, 1:15 - 5:00

Flatwork and one-jump skills that will give your dog a broad understanding of the handling skills needed for success in competition.

Under Pressure - The Distracted dog Sun Feb 12, 8:30 - 12:15

Does your dog get distracted easily? Do they sniff, zoom and go visiting?

This session will be more about focusing under pressure than handling.

This session is open to dogs competing at any level, no aggressive dogs allowed.

2 x 2 weave poles Sun Feb 12, 1:15 - 5:00

Learn how to use this incredibly fast and simple method for training fast, accurate, reliable and independent weaves!
